For first - third graders with Mrs. Gregory and Ms. Doll
Mondays: Jan 9, 23, 30, Feb 6, 13 Times: 3:30 - 4:30 PM
Location: Berg Playfield Cost: \$50

What Happens If

For first - sixth graders with Mrs. Barkas and Mrs. Stephens
What happens if you mix water, baby oil, and food coloring? Or, did you know you can make a wiggle worm from an ordinary straw? Come join us on Mondays for a new creating adventure in science. Projects will be age/grade tailored.
Mondays: Jan 23, 30, Feb 6, 13, 27, Mar 5 Cost: \$65
Times: 3:30 - 4:30 PM Location: 9A

TUESDAYS

Choristers - Includes Free Piano Lessons!!

ONLY A FEW SPACES REMAINING! Children in second grade and up are invited to join St. Mark's Choristers, the church's children's choir program. The Choristers receive free piano lessons. They rehearse Tues afternoons after school and sing at 8:45 a.m. in the church (1st and 3rd Sundays).
Meets Every Tuesday Location: Church Choir Room
Times: 3:30 - 4:45 (Choir) 4:45-5:30 (Piano) Cost: Free
Limit: Only a few spaces remain, call James Holyer, 388-2681.

Introduction to Guitar, Third-Sixth Grade

For third-sixth graders with Ronan School of Music
Join us for a beginner's guitar class. Guitar rental available for \$25 for six week session. Contact Angela Bast (abast@stmarksdayschool.org) if interested.
Tuesdays: Jan 17, 24, 31, Feb 7, 14, 21 Time: 3:30 - 4:15 PM
Location: PreK room (18) Cost: \$90 (includes book)

Percussion, Kindergarten-Third Grade

For K-3rd with Ronan School of Music
Experience the power and excitement of playing drums and other percussion instruments in a group. Learn to work as a group by playing individual parts both by listening to and reading music. Experiment with personal expression through improvisation and work on maintaining a part while others play different parts all around them. It's a loud, fun time!
Tuesdays: Jan 17, 24, 31, Feb 7, 14, 21 Time: 3:30 - 4:15 PM
Location: Music Room Cost: \$72

WEDNESDAYS

Lego Engineering 101

For Kindergarten - third graders with Mrs. Cozart
Create, explore, invent, and build! Utilizing over 20,000 Lego pieces, your young Master Brick Builder will have the opportunity to build. Legos enhance critical thinking and problem solving skills while using the imagination. Explore how things work and encourage inquisitiveness! Lego's and building mat provided
Wednesdays: Jan 18, 25, Feb 1, 8 Time: 3:30 - 4:15 PM
Location: Mrs. Cozart's Classroom Cost: \$40

Chinese New Year Extravaganza!

Kindergarten - Third Grade

For kindergarten-third graders with Mrs. Elizabeth Hardage
The Chinese New Year is the most anticipated holiday on the Chinese calendar. The two-week-long holiday culminates with the celebration of the Lantern Festival. Come learn about the superstitions, history and ceremonies of the Chinese New Year and Lantern Festival. Students will create Chinese New Year decorations (crafts, calligraphy, etc.), sample Chinese snacks, play Chinese games, learn many new songs and learn useful ways to use Chinese related to these two holidays. *Please note, this class emphasizes both language and culture. It is not full-immersion, and much of the instruction will be conducted in English.
Wednesdays Jan 11, 18, 25, Feb 1, 8, 15 Times: 3:30 - 4:30 PM
Location: Language room Cost: \$60
Minimum: 3 students Maximum: 10 students

Lego Robotics, Third-Sixth Grade

For third through sixth graders with Bricks 4 Kids
Students will build models of machines using gears, motors and specialized Lego software. Architecture and engineering concepts are explored while creativity and self-confidence are fostered. Exciting and challenging for all - new students and those who have taken session #1. More info at bricks4kids.com.
Thursdays: Jan 18, 25, Feb 1, 8, 15, 22 Times: 3:30 - 4:30 PM
Location: Art room Cost: \$72

THURSDAYS

Chinese New Year Extravaganza!

Fourth - Sixth Grade

For fourth - sixth graders with Mrs. Elizabeth Hardage
Come learn about the superstitions, history and ceremonies of the Chinese New Year and Lantern Festival. Students will create Chinese New Year decorations (crafts, calligraphy, etc.), sample Chinese snacks, play Chinese games, learn many new songs and learn useful ways to use Chinese related to these two holidays. *Please note, this class emphasizes both language and culture. It is not full-immersion, and much of the instruction will be conducted in English.
Thursdays Jan 12, 19, 26 Feb 2, 9, 16 Times: 3:30 - 4:30 PM
Location: Language room Cost: \$60
Minimum: 3 students Maximum: 10 students
