

Happy Birthday!

You are invited to recognize your child's birthday AND support the school library at the same time.

Your child will:

- Choose a book from the Birthday Book cart *in the school library*
- Have his or her name placed on a special bookplate inside the book
- Be presented with his or her book during chapel and have it blessed
- Be the very *first* person to check out his or her book from the school library

Should you decide to participate, please return this form along with \$20.00 to the school library at least one week before Birthday Book chapel.
